INDIANA UTILITY  
REGULATORY COMMISSION

**CAUSE NO. 42523**

You are hereby notified that on this date the Indiana Utility Regulatory Commission ("Commission") has caused the following entry to be made:

On October 6, 2003, Idotell Corp. ("Petitioner") filed its Verified Petition for a Certificate of Territorial Authority to Resell Bundled Local Exchange Telephone Services within the State of Indiana (hereafter "Petition"). The Petition filed by Petitioner was a "short form" petition, as addressed by this Commission in Cause No. 39983, intended to be processed after due public notice, without the necessity of a hearing.

The Presiding Officer in this Cause, having examined the Petition and being duly advised in the premises, hereby finds as follows:

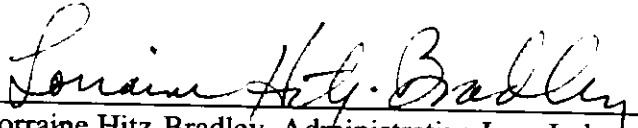

Petitioner's Petition lacks required elements set forth in the Commission's order in Cause No. 39983. To comply with those requirements, Petitioner must file the following:

1. Petitioner's certification from the Secretary of State authorizing it to do business in Indiana.
2. A copy of Petitioner's most current audited balance sheet, prepared in accordance with Generally Accepted Accounting Principles.
3. A brief statement describing Petitioner's managerial and technical ability to provide local exchange telephone service on a bundled resale basis.
4. If Petitioner plans to offer Caller ID, it must file a separate petition.
5. If Petitioner wishes to provide Lifeline or Link-up service, Petitioner must be certified as an eligible telecommunications carrier, as set forth in Cause No 41052-ETC 1, et seq.
6. If Petitioner wishes to provide alternative operator services, Petitioner must specifically request it, and agree to abide by the regulatory requirements set forth by the Commission in Cause No. 38812.

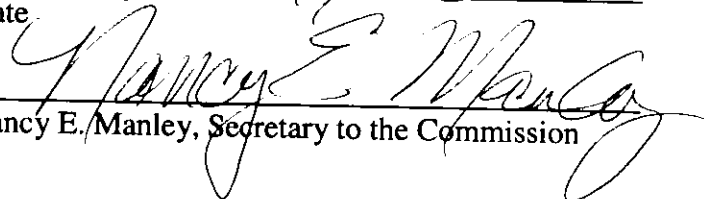

7. Should Petitioner wish to provide additional telecommunications services, such as facilities-based local exchange, interexchange, or competitive access, Petitioner must file a separate petition and go through a hearing.

THEREFORE, within thirty (30) days of this docket entry, Petitioner shall file with this Commission copies of documents enumerated in items 1 -3 above. Should Petitioner wish to provide the services enumerated in items 4 - 7, it may file the appropriate petitions, which require a full hearing. Failure to provide to requested documents may lead to a dismissal of the petition without prejudice.

**IT IS SO ORDERED.**
